EDUCATION

The University of Hong Kong	Hong Kong
<i>Bachelor of Engineering, Minor in Finance</i>	2024 – Present
Relevant coursework: Linear algebra, Calculus, Mathematical Optimisation, Project Management	
UBC Sauder School of Business	Vancouver, BC, Canada
<i>Summer Exchange Program</i>	Jun 2026 – Jul 2026
Course: International Business Management and International Marketing	

WORK EXPERIENCE

Cathay Pacific Airways Limited	Hong Kong
<i>Pilot Induction Intern</i>	Dec 2025 – Feb 2026
- Operated weekly induction programs for batches of 20+ cadet pilots and facilitated cadets' HKCAD licensing applications, ensuring a seamless transition into the training pipeline. - Tracked cadet training milestones across overseas flight schools to identify potential delays through data analysis.	
HAECO HK	Hong Kong
<i>Project Management Intern</i>	Jun 2025 – Aug 2025
- Project Topic: Repair Order (RO) Optimisation - Automated and optimized the end-to-end RO Handling process by leveraging the Microsoft Power Platform (Power Automate, Power Query, etc.), resulting in streamlined interdepartmental data exchange and reduced manual processing time in ~30%. - Spearheaded the collation of 20+ airline customers' feedback, leading to the development of an interactive dashboard within Microsoft Power BI.	

PROJECT EXPERIENCE

SpeakFlow AI	Toronto, ON, Canada
<i>Developer Cursor Hackathon (Toronto Tech Week)</i>	May 2026
- Developed and deployed an interactive "Interview Panic Button" Voice AI assistant designed to mitigate interview anxiety through real-time conversational practice. - Integrated bidirectional voice streaming APIs to capture real-time user speech and deliver low-latency, dynamic AI voice responses.	

AWARDS AND QUALIFICATIONS

The Hong Kong Institution of Engineers	Dec 2025
<i>Student Member</i>	
Thailand International Mathematical Olympiad	Apr 2023
<i>Finalist</i>	

SKILLS AND INTERESTS

Computer: Microsoft Office (Excel, Power Platform, etc.), Power BI, Python, Full stack develops Language: Cantonese (Native), Mandarin (Native), English (Native) Interests: Long-distance running, Travelling, Music
